

LED UltraSlim Magnifying Lamp XR

WHITE D25080

This professional LED magnifying lamp provides 1.75X magnification with a large crystal clear 17.5cm/7" lens which utilises the XR technology™, making it 50% lighter and the special nanotechnology hard coating ensures that it is extra scratch resistant for durability.

The 60 ultra-bright daylight™ LEDs provide white natural daylight for true colour correcting. The FreeMotion™ mechanism allows the user to easily and accurately move the lamp to the required position.

LED UltraSlim Magnifying Lamp XR

WHITE D25080

Overview

- 60 ultra-bright daylight™ LEDs (3,300 Lux at 26cm/10") for shadowfree lighting
- Enjoy the brightness of a 36W CFL tube, but use only a 1/3 of the power (12W)
- Full Spectrum Daylight™ LEDs offer reduced glare, heat and energy consumption
- LEDs never need replacement, enjoy lifelong lighting
- Unique crystal clear 17.5cm/7" XR lens™ to see more of your work (1.75X, 3 diopter)
- The XR technology™ makes the lens 50% lighter and extra resistant
- Quick Lens Swap System™, increase the magnification in seconds and without any tools
- Two optional lenses available separately (5 and 8 diopter)
- No more wing nuts with our Free-Motion head-joint™ and internal spring arm
- High quality metal arm for optimal flexibility and durability, offers superb holding power
- Solid lamp stem and sturdy metal clamp for tables and trolleys, long 130cm/51" reach
