DESCRIPTION

Do the shopping and go for a stroll safe in the knowledge that you can sit down and relax whenever you need to. This is the challenge that the Lett800 has responded to. Designed to make life easier for active and independent senior citizens, who want to continue with their everyday tasks, among them, doing the shopping.

And also designed for younger people who want to make the task of going shopping a pleasure. Ideal for combining shopping and relaxation, shopping and chats... Ultimately, it's the shopping trolley designed for those who love their social life.

The Lett800 has a safety or parking brake, essential for using the cart as a seat. An instant braking system activated by hand, swivel wheels to facilitate movement and an adjustable handlebar with 3 positions. The interior bag also has handles and is removable, making it easy to clean.

It is easy to fold and store, suitable for any home.
