

Let's Go Out

Outdoor rollator
Black Article No. 0120
Beige Article No. 0150

Let's Go Out has a spring suspension in the rear wheels for smoother walk.

Let's Go Out rollator is light and steady. It weighs only 6.1 kgs and has a width of only 58.5 cms. It is easy to fold and the bag is folded together with the rollator. Let's Go Out is available in two colours: Black/silver with seat in black artificial leather and Beige/silver with seat in brown artificial leather. The bags also match the rollator in colour. The large front wheels make it easy to turn and climb kerbs. Let's Go Out has fenders on the rear wheels and built-in spring suspension that provides comfortable walking. The rubber handles are ergonomically shaped and can be adjusted in height from 78 to 96 cms to fit different users.

When Let's Go Out is folded it is easy to bring with you in the car or on a bus as the width is only 20 cms.
