

Optimal Hygiene Pillows

For good comfort in every unique situation

Optimal Hygiene Pillows

We offer a wide range of accessories. Our Optimal Pillows are developed for the special needs in health care environments, but are also suitable in a home environment. The high comfort is achieved by using high quality fibres.

Cleaning the Optimal Hygiene Pillow is easy, it can be machine washed in 60 °C.

Optimal Sens is a high quality, ergonomic pillow designed to give optimum neck support. It is produced from visco-elastic foam (so called memory foam).
