

Luna basic 2

beige

Model Luna basic

An economy three motor version of the Luna bed with similar functions apart from the knee buckle facility and covered bed ends.

Legs can be raised manually or, with the four motor version, electrically. Easy to use in all homecare environments. The bedframe can be positioned in two different positions.

Luna 2

beige

Model Luna

The Luna bed is a stylish, high quality 4 section profiling electric bed with a user handset for convenience and full length wooden side rails for safety.

The bed comes complete with a lifting pole for extra user movement and independence. The multi adjustable 4 section mattress platform provides comfort and assists correct posture.

*These models are delivered mounted on a transport kit.
Within minutes you can install your bed wherever you want.*
