### Comfort

The Gemini is an aluminum Reha Buggy. The design permits various possibilities of adaptation.

In this standard version we offer a:

- 5-points-security belt
- Spreader
- Head support

A buggy which parents adore not only for its excellent functionality, but also for the quality design. Even for transport, the Gemini II is completely foldable making transport in a car very easy.

Even for larger children we offer a model which is particularly designed towards stability. Manufactured from a steel frame construction to provide sturdyness and quality.
