

ILLUMINATED TILT STAND MAGNIFIER

ILLUMINATED TILT STAND MAGNIFIER

Rediscover the joy of reading, crafting, or viewing your favourite items up close with the LED Tilt Stand Magnifier. Designed with you in mind, this magnifier brings everything into focus with ease and clarity.

FEATURES

Crystal Clear Magnification

With its high-quality lens and powerful LED lighting, the Tilt Stand Magnifier provides a clear, bright view of small details, whether you're reading, crafting, or working on a hobby.

Adjustable Tilt Stand for Comfort

Designed to be comfortable and easy to use, the tilting stand adjusts to the perfect angle. This hands-free design means you can keep a relaxed posture and avoid strain, allowing you to enjoy longer reading sessions and activities with ease.

Bright LED Illumination

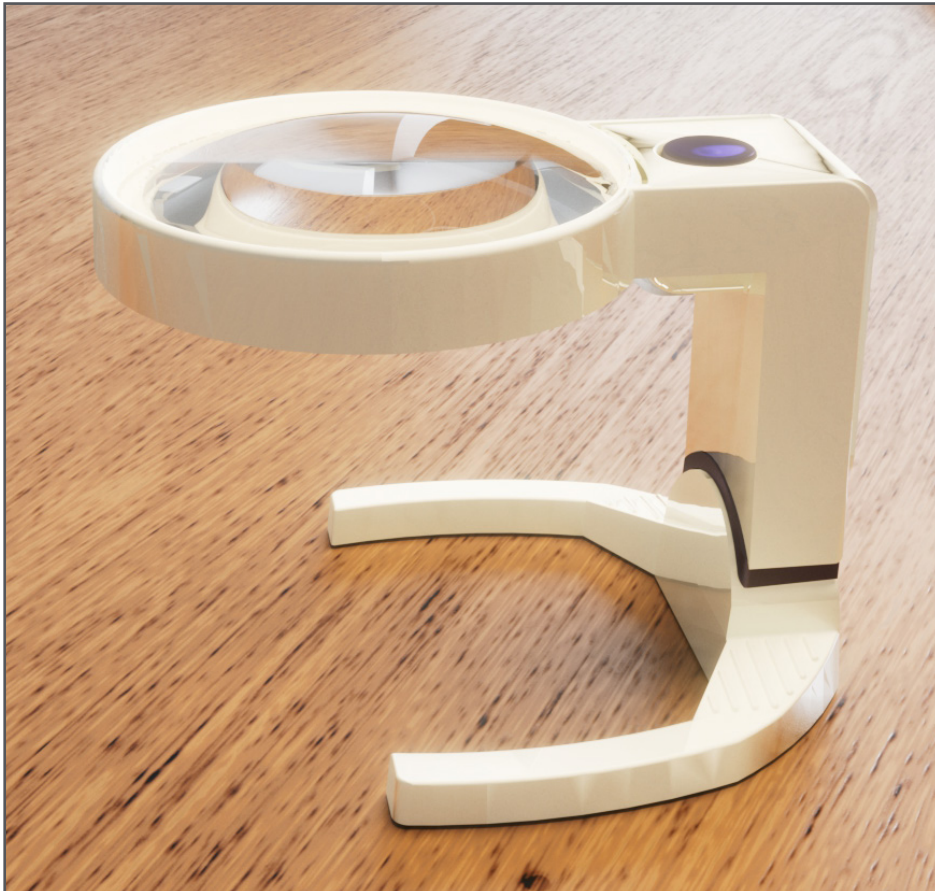

Soft, energy-efficient LED lighting offers ample illumination, reducing the need for additional lamps. See clearly without glare or shadows, day or night.

Battery Powered for Convenience

No need to worry about finding an outlet or dealing with cords. Just insert batteries, and your magnifier is ready to go—ideal for use anywhere in the home or even on the go!

Sustainable Packaging

We care about the environment too. The LED Tilt Stand Magnifier comes in eco-friendly, recyclable packaging, allowing you to make a sustainable choice without compromising on quality.

FEATURES (Cont.)

Auto-Off Function for Longer Battery Life

Our LED Tilt Stand Magnifier is equipped with a convenient auto-off feature. If you forget to turn it off, the light will automatically shut down after a set period, conserving battery life and giving you peace of mind. No more worrying about running out of power unexpectedly!

High and Low Power Settings

Customize your viewing experience with both high and low light settings. Use the high-power mode for extra clarity in low-light situations, and switch to low-power mode to conserve energy in brighter environments. Adjust the light to suit your needs, wherever you are.

Two Magnification Options: 3x and 4x

Available in both 3x and 4x magnification, you can choose the strength that's right for you. The 3x magnifier is ideal for general reading and everyday use, while the 4x version provides an extra boost for fine details, small print, or delicate work. Perfect for tailoring your magnification to your needs.

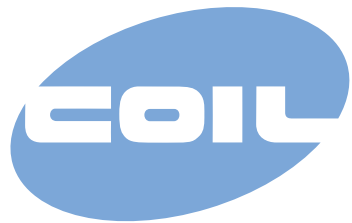

Compact, User-Friendly Dimensions

The magnifier's dimensions make it easy to handle and position anywhere you need it. At **L 130mm x W 110mm x H 95mm**, it's compact enough to store easily but large enough to offer a comfortable viewing area.

Why Choose the Illuminated Tilt Stand Magnifier?

Easy to use, reliable, and designed with comfort in mind, this magnifier helps you maintain independence and enjoy the little things again. Experience clarity and comfort with the LED Tilt Stand Magnifier—an essential tool for enhancing your daily activities, available in magnifications and settings designed for all your viewing needs.
