EXPLORER

THE OUTDOOR ROLLATOR

MADE FOR OUTDOOR TERRAIN

The EXPLORER is the SUV among the rollators: this sporty model with many clever details was designed and manufactured especially for outdoor use. The flexi frame provides additional flexibility in rough terrain and makes the EXPLORER the perfect companion for your next outdoor adventure.

"My mother attends sport rehabilitation classes and loves spending time out in the fresh air so when I discovered the Explorer rollator I knew it would be perfect. She loves it and the independence she now has".
