

LET'S FLY

Product Sheet

Let's Fly is light and steady. It weighs only 6.9 kgs and has a width of 58 cms. With an easy snap you can fold it to 20 cm and take it in your car. Let's Fly is available in three colours: Black with seat in black artificial leather, White with seat in brown artificial leather and Red with seat in brown artificial leather. The bag is in black canvas with lid in the same material as the seat, black or brown. The large front wheels make it easy to turn and pass curbs. The rear wheels have fenders to protect your clothes and a built-in spring suspension that gives smooth walking. The rubber handles are ergonomically shaped and can be adjusted in height from 82 to 91 cm. Easy to fold and the bag is folded together with the rollator. Rear wheels with soft suspension.
