Manufacturer:	MelaMedic ApS Stenildhøjvej 34 B DK-9600 Aars Denmark Tel.: +45 2195 3322 Mail: info@melamedic.dk Web: www.melamedic.dk  Single Registration Number (SRN): DK-MF-000042515
Product(s):	<b>Circadian eyewear – Blue-Blocking Sleep Glasses UV530</b>
MDR classification:	Medical Device class 1, for therapeutical use.
Indication for use:	<p>The essential performance of the sleeping glasses with the special designed medical blue light blocking glasses (UV530 lenses) are to control the melatonin-cycle to improve sleeping and stabilize free accessible serotonin in the body during the daytime.</p> <p>The use of the sleeping glasses invokes the production and secretion of the important signaling substance melatonin from the pineal gland in the brain, which i.a. stimulates sleep, sleep quality and other physiological symptoms.</p>
Intended use:	<p>The sleeping glasses are intended for the prevention and relief of sleep problems and jet lag when used in the home environment. Furthermore, correction of shifted sleep patterns. Not for use while driving a car.</p> <p>Additionally, the effect of stimulating the melatonin production by use of the sleeping glasses also seems to help on other physiological symptoms.</p>
