

# Tellus (i)6

The Tellus 6 is a package deal. As always in the Tellus-series, our communication device also meets your expectations for a laptop. A powerful platform without compromising on speed nor sound. We optimised its dimensions and drastically reduced the weight of the device. The Tellus 6 is designed for every access method. Do you use eye gaze? The latest Tobii eye tracking technology is seamlessly integrated into the Tellus i6.
