

The undersigned, representing the following manufacturer

Decon Wheel AB
 Org. No. 556618-9006
 SRN SE-MF-000046289
 Södra Ekeryd 119, 314 91 Hyltebruk
 Sweden,

hereby declares that the product **E-Move**

with the basic UDI-DI 735001014MEMBM

and the following references

MEM420	MEM420HD	MEML420	MEML420HD		
MEM422	MEM422HD	MEML422	MEML422HD		
MEM424	MEM424HD	MEML424	MEML424HD	MEM424M	MEML424M
MEM425	MEM425HD	MEML425	MEML425HD		
MEM426	MEM426HD	MEML426	MEML426HD	MEM426M	MEML426M

is in conformity with the Medical Device Regulation (EU) 2017/745 as a class I medical device based on Annex VIII; and the Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Intended purpose: E-Move is an electric drive unit for manual wheelchairs with the intended purpose to be used by persons having functional disabilities or difficulties in walking without walking aids but are capable of operating a manual wheelchair. The device is intended for indoor and outdoor use.

This EU declaration of conformity is issued under the sole responsibility of the manufacturer.
