

EU - DECLARATION OF CONFORMITY (DoC)

Manufacturer Name : WeWalk GmbH
Address : Hauptstraße, 134, 51143 Köln
Single Registration Number (SRN) : DE-MF-000040414
Brand : WeWALK

Intended Use : WeWALK Cane is a white cane for visually impaired people. The device is intended to be used as a white cane to detect ground obstacles by hitting the device to the ground. The cane's primary function is to provide a rigid structure to feel the objects while hitting. The device also has technology that supports the detection of overhead obstacles.

WeWALK GmbH, declare that the DoC is issued under our sole responsibility and belongs to the following product:
